

**TO:** All Still Hopes Residents

**FROM:** Sherry French, Director of Activity Services

**DATE:** March 18, 2020

**SUBJECT:** Activity Group Cancellations

Still Hopes Residents,

As Still Hopes continues to stay abreast of news updates and health department initiatives, and to continue our work to reduce the possibility of spreading infection among our residents, we are postponing all group activities of more than ten people as of this date. This includes our cancellation of any volunteer groups or individuals that provide services coming in.

To be clear I have listed specifically the following activities that are cancelled until further notice:

- Still Hopes Spring Concert Series (March 19, March 26, April 1)
- All worship services and Bible studies
- Altar Guild Luncheon
- Healthy Dynamics with Tacey
- Healthy Living Series with Rehab Director
- Acrylic Art Classes
- Spring Clam Bake
- Last Friday Bridge Party
- Italian Renaissance Art History with Susan Dillon
- World Architecture Lectures with Temple Ligon
- All Card Groups, Stay 6 feet apart
- Resident Meeting
- Resident Council Meeting
- Still Hopes Singers Rehearsals
- Still Hopes Singers Spring Concert
- Classical Conversations with Morihiko
- Bascom's Bingo
- New Residents' Reception
- Wing Haven Garden in Charlotte Trip
- Bob Jones Museum/Gallery Trip
- H.L. Hunley Charleston Trip
- Transportation to Koger Center, Town Theater, etc
- April Volunteer Day Reception
- May Family Day Picnic
- Clam Bake scheduled for March 27
- Massages with Emily

- Podiatry Services
- Hearing consultant, Mike Arndt
- Monday/Thursday Wellness checks
- Acupuncture with Melanie Andreen
- Chiropractic Services with Shelly Jones
- New Resident Reception
- Alterations by Valerie Chaney

The Main Street hair salon remains in operation, but we must not gather in close groups there. Keep the six foot apart rule.

Activity Services is working to develop some fun things we can do that support social distancing and social engagement during this time. We will use the efficiency of the Keenan Center's ability to section off and have groups of ten in each of the three sections for certain activities, so stay tuned and stay positive. If you are a part of a group of less than ten people and can stay six feet apart, then that group can still function.

The good news is that spring is here, the weather is beautiful, and it is okay to be outside! Just wave at your neighbors as you stay six feet from them on the walkways.

Stay safe and well. If you have questions, please don't hesitate to call me at 803-739-5015 or email [sfrench@stillhopes.org](mailto:sfrench@stillhopes.org).
