To Team Members in Licensed Areas:

Unfortunately, we had a resident residing in the River Banks Assisted Living Neighborhood test positive for COVID-19 today as well as a staff member who worked in the Saluda and Broad Neighborhoods. The resident was sent to the hospital early this morning and the employee remains at home. An “outbreak” occurs when onset of one new COVID-19 case occurs among residents or staff and therefore we are now considered in outbreak status. **This means we must temporarily suspend ALL visitation for licensed neighborhood residents. We must also limit unnecessary employee travel to non-licensed areas (or vice versa) unless directed by your supervisor for normal job duties. This includes not leaving licensed areas to dine in Emilie’s Café or PDR buffet or non-licensed residents or staff entering Greenway to dine in Caroline’s or visit until further notice. Staff in licensed neighborhoods should limit travel between neighborhoods as much as possible.**

When a new case of COVID-19 among residents or staff is identified, we must immediately begin outbreak testing and suspend all visitation (except end of life and compassionate care circumstances), until at least one round of facility-wide testing is completed. We immediately started facility wide testing for both residents and employees today and will continue tomorrow. All residents in all neighborhoods tested negative. All staff tested thus far have tested negative.

Staff are required to wear eye protection and a surgical mask on River Banks, Saluda, and Broad at this time.

ALL STAFF WHO WORKED AND/OR SCHEDULED TO WORK IN A LICNESED AREA FROM 07.16 TO 07.24 ARE REQUIRED TO BE TESTED. THIS INCLUDES VACCINATED AND UNVACCINATED TEAM MEMBERS.

Due to the last-minute nature of testing, we have dispersed locations. Please call your supervisor if you need to come outside of these times or are unsure where to go.

Wednesday July 21st

10am – 11pm	Greenway Conference Room
11am – 12pm	Elizabeth’s Office (Greenway Admin Hub 1 st floor)
